(SPDES) DRAFT PERMIT**

**Dover Village Plaza Sewage Treatment Plant
Town of Dover, NY – December 2010**

Permit Writer – Vijay Gandhi

Facility Name:	Dover Village Plaza Sewage Treatment Plant
SPDES # :	NY0142549
DEC Application # :	3-1326-00239/00002
Owner /Operator :	Dover Village, LLC
SIC Code :	8999
Location:	3042 NYS Route 22, Town of Dover, Dutchess County

The New York State Department of Environmental Conservation (Department) proposes to issue a draft SPDES Permit, pursuant to 6NYCRR Part 750, for the Dover Village Plaza Sewage Treatment Plant for the discharge of 21,000 gpd of treated sanitary wastewater to the Stone Church Brook, which is Class C (TS). The facility is considered a non-significant minor facility, Discharge Class 02. The submission of Discharge Monitoring Report (DMR) is not required, but the submission of an annual report is required. Effluent limits were provided by the Bureau of Water Assessment and Management.

Permit pages used are based on current Department guidance, format, and nomenclature and include:

1. A page of permit limits, levels and monitoring definitions.
2. The Discharge Notification Act requirements.
3. Recording, Reporting, and Additional Monitoring Requirements.
