**Re: SEQRA 10-0246, Dover Plains Plaza  
Route 22, Town of Dover  
Dutchess County**

Dear Mr. Sargent:

This office has reviewed the above referenced plans and finds them acceptable for a **conceptual approval** with the following comments:

1. A left turn lane for southbound Route 22 shall be constructed for access into the plaza.
2. A traffic signal is not approved to be installed at this location at this time.
3. You must apply for and obtain a Highway Work Permit prior to working on or near the New York State Right Of Way. Various details will be addressed as NYSDOT continues to review plans for this project.

Very truly yours,

Terence J. Donoghue, P.E.  
Regional Highway Work Permit Coordinator
