Re: Dover Mobil – Natural Heritage Program Request for Information
Rte 22 (T) Dover, Dutchess County

To Whom It May Concern:

As per request from the Town of Dover Planning Board, please consider the following submission as a request for information and for the review of the above referenced site relative to threatened and/or endangered species.

The project is located in the Town of Dover, situated in Dutchess County. The specific address of the site is 1782 Route 22 Wingdale, NY. The project will involve the creation of a new gas station and convenience store at a site that is currently built out as a diner. The existing diner shall be removed and replaced with a new convenience store. The limits of disturbance are within the existing developed portions of the parcel (lawns and pavement). Attached please find a copy of a location map with the subject site highlighted.

If you have any questions regarding the submission, please feel free to call me at your convenience. I can be reached at (845) 855-2000.

Sincerely,

John A. Kalin, P.E.
