

REPORT FROM THE SUPERVISOR, FEBRUARY 2019

Hi everyone, this is just a short note to let the people of Dover what's going on.

- Boyce Park will be getting an automatic gate installed at the entrance so the park will be secure at night. Our park is open from dawn to dusk.
- JHK Park: As soon as the weather breaks, we will start work on getting the building ready for the public to use. We are getting prices for the ADA walkway and bathroom. This is such an exciting project, and I can't wait for it to be used by the Dover residents. We will be looking for volunteers to help with this project.
- I am happy to report that the Comprehensive Plan for the Town of Dover is almost ready to be sent to Dutchess County Planning for review. After Dutchess County Planning reviews it, it will return to the Committee and Town Board for review, and will hopefully be presented at a public hearing.
- The Legion: We are waiting for the insurance company to get back to us. Hopefully, the Legion will be back up and running soon.
- There will be a meeting at Town Hall on March 16th, at 11am to discuss and organize our clean up days April 6th, and April 13th.
Please join us to help Dover SHINE.
- World Olivet Assembly is before the planning Board, and Olivet University is still in their first phase of construction.

- The Center of Compassion is holding a fundraiser on March 30th at the Preston Barn. For information please call Karen Finnerty at 845-453-2385.
- CVE is really moving along, and I will be posting the pilot so the people of Dover can see how the town will benefit from this project.
- I just want everyone to know I am here for all the residents of Dover. If you have any questions at all, please call me at 845-656-2235, or you can reach me at Town Hall, at 845-832-6111 ext. 110. I would love to hear for all of you.
