SUBDIVISION APPLICATION COVER SHEET/FEE SCHEDULE

Attached is the application packet required for your project. Please provide **ALL** information requested.

Twelve (12) sets of ALL paperwork and maps are required. Please provide one original set and eleven (11) copies. The Planning Board will accept 3 full size copies with 9 copies in 11X17 if possible a CD with all maps and documents would be appreciated with submission -Each set should contain:

1. An application form. In order for the Board to keep track of any changes during the review process, including lot count, a separate application form is needed for each step of the process; Sketch Plan, Preliminary Plat and Final Plat. All forms are included in your packet.

2. A checklist. Each step of the application process has a checklist, Sketch Plan, Preliminary Plat and Final Plat. The appropriate checklist must be completely filled out and accompany your application for each phase of the review process. Any requests for waivers for items on the checklist and/or additional materials requested by the Board must be in writing.

3. An Environmental Assessment Form. Only Part 1 of the Short or Long Form should be filled out by the applicant. For a full explanation of the State Environmental Quality Review Act please refer to the following NYS DEC webpage: <http://www.dec.state.ny.us/website/dcs/seqr/index.html>.

4. The disclosure statement. This statement must be signed. The name, address and the nature and extent of the interest in this application of any state officer and any officer or employee of the Town of Dover and/or the County of Dutchess must be stated; if there is none, the word "none" should be inserted in the appropriate space when signing the document.

5. If you are authorizing someone else to represent you, include the Letter of Agent.

6. The set of map(s), each set put together in the order of these instructions (*do not copy this application cover/instruction sheet*). Please fold maps with the name of the project/applicant showing.

Please submit paperwork to the Planning Board Office. Applications with missing information will be returned for completion. Please be sure to provide a Primary contact phone number and address that is valid.

The Planning Board's regular monthly meeting is the 1st & 3rd Mondays of each month at 7PM in the Dover Town Hall. Please check with the Secretary for the schedule of deadlines and meetings **All submittals are required by NOON on the day of deadline. Any late submissions will be considered early for the next deadline date.**

SUBDIVISION PROCEDURE PER CHAPTER 125

The purpose of this information sheet is to guide you through the application process. The application packet that you have received needs to be thoroughly reviewed and completely filled out. The minimum requirements to have the first meeting with the Planning Board are outlined in the Sketch Plan Checklist.

Sketch Plan:

The first meeting with the Planning Board will be to review and discuss the sketch plan submittal. At this meeting, comments will be provided to the applicant concerning the proposal. Comments from the Planning Board will be given verbally. There may also be verbal and/or written comments from the Planning Board's Attorney, Engineer, Planning Consultant, and/or other Town Officials. It is in the applicant's best interest to bring note taking materials. A determination as to the type of action under the State Environmental Quality Review Act will be made at this time.

Preliminary Plat:

In order to proceed to preliminary plat review, the applicant must submit all items on the Preliminary Plat Checklist, provide the Preliminary Plat Plan Application, and provide all additional information requested at the Sketch Plan discussion meeting. Any items not included must be addressed by the applicant in writing. You will be notified if the application is not accepted due to incompleteness.

Some projects require consultant review by the Town Board's engineer, planner, and/or attorney. In this instance, the reasons will be explained to you by the Board, and the process of establishing an escrow account to cover the additional costs will be initiated. The application may also be referred for comment from the relevant town, and other, jurisdictional agencies. If the State Environmental Review process requires comment from an expert consultant, of the Board's choosing, the need for this review will be explained and the appropriate escrow fees for this review initiated. The escrow account will be reconciled during the review process and prior to final approval. All fees must be paid prior to the chairman signing the maps.

If the Planning Board determines that additional matters need to be addressed before a public hearing can be scheduled, the application will be tabled as incomplete to allow you time to develop the responses to the Board's questions and return to a subsequent meeting. The Planning Board office will remain in contact with you during this period. It is important to note: the more timely you submit the requested materials, the more expedient the process will be.

Public Hearing:

If everything is in order and all questions of the Board are satisfied, the Board will direct the Planning Board Secretary to schedule a public hearing for your project for the next regular monthly meeting. You will be instructed to place a sign, obtained from the Planning Board office, on the subject property containing the public hearing date and time.

At the public hearing, abutting property owners may appear pursuant to a notice sent to them by the board office; other members of the public are also allowed by law to attend and may introduce information to the record, or simply request information about the project.

If there are additional matters to address pursuant to the opening of the public hearing, discussion will be tabled and the hearing will be extended to allow you time to address the matters and return to the board at a subsequent meeting.

If no adverse environmental impacts or other impediments are discovered, the Board will close the public hearing and a vote will be taken.

Final Plat:

Within six months after tentative approval of the preliminary layout has been granted, you must file with the Planning Board an application for approval of the subdivision plat. The application must include the Final Plat application sheet and the Final Plat checklist.

When your application was given tentative preliminary plat approval, the approval by the Planning Board may have contained conditions which need to be met either prior to the signing of the maps by the Chairman, or issuance of a building permit, or issuance of a C.O. Some conditions might be: payment of all fees to include escrow or recreation fees, County Health Department endorsement or other jurisdictional agency approvals (e.g. highway curb cuts).

When the conditions have been met, your maps will be accepted for the chairman's signature and processing. If the conditions pertain to the construction phase, the building department will receive a written copy of those conditions for inclusion in their site inspections.

As stated in NYS Town Law §276.11, you are required to file the approved signed maps with the County Clerk within sixty-two days of the date of final approval or such, approval will expire.

We hope this brief summary helps you to understand the process. If at any time during the process you have questions, you are invited to contact the Planning Board office. We will do our best to assist you.

NOTES:

IF YOUR APPLICATION IS INCOMPLETE, YOU WILL NOT BE PUT ON THE AGENDA.

IF YOUR APPLICATION IS NOT RECEIVED BY NOON OF THE DATE(S) GIVEN TO YOU FOR SUBMISSION, YOU WILL NOT BE PUT ON THE AGENDA.

SUPPLEMENTAL OR APPLICATION MATERIALS WILL NOT BE ACCEPTED AT MONTHLY MEETINGS.

It is the intent of the Town of Dover to ensure that lands determined to be of conservation value in a flexible subdivision application be properly managed in order to protect its conservation value. The Town encourages the use of nonprofit land conservancy organizations as a method of management. Therefore, applicants for a flexible subdivision proposal should actively pursue this type of ownership. To assist the applicant in this, the following non-exhaustive list of organizations should be contacted:

Organization	Person contacted	Date of contact	Comments
The Dutchess Land Conservancy (845) 677-3002			
Oblong Land Conservancy (845) 855-3266			
Open Space Institute (212) 290-8200			
The Nature Conservancy (914) 244-3271			
The Trust for Public Land (212) 677-7171			
Appalachian Trail Conservancy (304) 535-6331			

THIS FORM MUST BE SUBMITTED TO THE PLANNING BOARD BEFORE ANY FLEXIBLE SUBDIVISION PLAT APPROVALS ARE GIVEN.

Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept “Have my responses been reasonable considering the scale and context of the proposed action?”

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing: a. public / private water supplies? b. public / private wastewater treatment utilities?	<input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	<input type="checkbox"/>	<input type="checkbox"/>

	No, or small impact may occur	Moderate to large impact may occur
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input type="checkbox"/>	<input type="checkbox"/>

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
